The photos are intended for the following purposes:

In the event of scientific use, no fees will be charged for the publication.

III. Filming Permits

Filming permits will only be granted by the Press and Public Relations Department, Ms Julia Engau, upon individual request. Please email her at engau@daspanzermuseum.de

Due to the considerable effort involved, the first three days of shooting will be charged with a lump sum of 1,500 euros. Each additional day of shooting will be charged with 250 euros.

Please request photo permits and the opening of vehicles separately.

IV. Opening of Vehicles

Vehicles may be opened for shots of the interior. But given the increased number of personnel required for each vehicle, you will be charged with 200 euros per vehicle. The opening of vehicles is subject to museum-related, restorative and organisational restrictions and will be considered and determined by Deutsches Panzermuseum Munster on a case-by-case basis.

Which vehicles do you wish to be opened for interior shots?

V. Measurement Application

If you wish to measure an exhibit, you require a permit to do so. In contrast to the photo permit, you will also require a permit if you plan to use your results for *private purposes only*. Due to the required personnel, every vehicle to be measured will be charged with 100 euros.

Which vehicles do you want to measure?

Deutsches Panzermuseum Munster will try to grant the filming or photo permit for the date desired by the applicant. However, for personnel and/or organisational reasons this might not always be possible. Therefore, please indicate alternative dates, if possible.
